Call for Participation

We invite you to join us in 9th International Conference of Networks, Communications, Wireless and Mobile Computing (NCWC 2023)

This conference looks for significant contributions to the Computer Networks, Communications, wireless and mobile computing for wired and wireless networks in theoretical and practical aspects. Original papers are invited on computer Networks, network protocols and wireless networks, Data communication Technologies, network security and mobile computing. The goal of this Conference is to bring together researchers and practitioners from academia and industry to focus on advanced networking concepts and establishing new collaborations in these areas.

Authors are solicited to contribute to the Conference by submitting articles that illustrate research results, projects, surveying works and industrial experiences that describe significant advances in the Computer Networks & Communications.

Highlights of DSML2023 Include:

- 9th International Conference on Software Engineering and Applications (SOFEA 2023)
- 9th International Conference of Control Theory and Computer Modelling (CTCM 2023)
- 9th International Conference on Signal Processing and Pattern Recognition (SIPR 2023)
- 4th International Conference on Data Science and Machine Learning (DSML 2023)
- 4th International Conference on Big Data, IOT and Blockchain (BIBC 2023)
- 10th International Conference on Computer Science and Engineering (CSEN 2023)
- 4th International Conference on Education and Integrating Technology (EDTECH 2023)
- 12th International Conference on Natural Language Processing (NLP 2023)
- 10th International Conference on Artificial Intelligence & Applications (ARIA 2023)
